

# WELCOME ITT STUDENTS

## SAN DIEGO CITY, MESA, AND MIRAMAR COLLEGES **WELCOME ALL ITT STUDENTS** WHO ARE EXPLORING OPTIONS TO CONTINUE THEIR EDUCATION AND TRAINING.

We offer a number of certificate and degree programs as well as free, short term training programs that may be similar to your educational path at ITT Technical Institute.

While the district only accepts credits from regionally accredited institutions, other options may be available for ITT students since ITT Technical Institute was not regionally accredited.
