Q1) **What do I do if I still need a class to graduate this summer?**  
A) A limited number of courses are being offered for summer graduates. Eligible students will be contacted by the district Evaluators.

Q2) **Can I take summer classes at another community college?**  
A) Yes. Students planning to transfer to SDSU should first see a college counselor for possible restrictions and to ensure you are enrolling in the correct course(s).

Q3) **How will I know if I am in a year-round program that will be scheduled in the summer?**  
A) The program faculty will advise students of the summer schedule for these year-round programs.

Q4) **How will students register for classes?**  
A) Students in programs that will be accommodated this summer will be contacted directly by email and telephone. Registration for classes will be by add code only.

Q5) **What if I need a class to transfer?**  
A) Students transferring Fall 2011, where transfer is pending completion of a class in the summer, should see a college counselor right away. Documentation will be required.

Q6) **What about Fall 2011?**  
A) The colleges are doing everything possible to maintain the fall and spring class schedule. Additional information on Fall 2011 will be forthcoming.

Q7) **Will there be any exceptions made as to who can enroll for summer classes?**  
A) No. At this time we can only accommodate students who have petitioned for graduation and are completing their remaining courses in Summer 2011.

Q8) **Why is summer being so drastically reduced?**  
A) See letter to students posted on Student Web Services at [http://studentweb.sdccd.edu](http://studentweb.sdccd.edu)
