WAIT LIST INFORMATION
Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List.

Wait Listing is not a guaranteed priority for enrollment.

Restrictions
- Students may place their name on only one Wait List for a specific subject and course number.
- Students must meet course prerequisites to be placed on the Wait List.
- Students who are on a Wait List, and later enroll in another section of the same subject and course number, will be automatically removed from the Wait List.
- Students will be told their priority number on the Wait List.
- Students can check their priority number on Reg-e.
- Students have the option to remove themselves from the Wait List at any time.
- There is a limit to the number of students allowed on each Wait List.
- Waitlisted students will be given first priority to add their waitlisted class if a space becomes available before the semester starts.
- The college will attempt to notify students that a space is available via e-mail and telephone according to their priority number; however, it is the student’s responsibility to check the status of waitlisted classes daily on Reg-e.
- Upon notification, students will be given five (5) business days, including the day of notification, to add waitlisted class. (An add code is not required.)
- If students do not add their waitlisted class within the 5-day period, they will be removed from the wait list and lose their priority.
- Students remaining on the Wait List after classes begin, must attend the first class meeting and be on time to have their Wait List priority considered.
